

Phil's two twin-teenage daughter, Pux and Tawney are over the show-biz life. They dream of visiting the west coast, however they are constantly annoyed by their newly-extended family. Note: Pux and Tawney can be performed by one voice with the TOGETHER lines treated with extra emphasis/gusto

PUX: Did it ever occur to you—

TAWNEY: That we were

TOGETHER: Embarrassed.

TAWNEY: Again with the shadow schtick, EVERY SINGLE YEAR.

PUX: Like gag me with a weather ballon.

TAWNEY: Why not just leave a note, do you have to be televised?

PUX: Yeah Pops, why not go full 'Squatch with it. He's gone isn't he?

TAWNEY: (on sigh) I wonder if the Easter Bunny's kids have to put up with the public scrutiny.

PUX: Please. No.

TAWNEY: Dad. DON'T.

TOGETHER: NO, *NOT* THE TINY TOP HAT!

PUX: It's over...

TAWRNEY: Six more weeks of humiliation...
