

LUKA (female, teens)

Luka is the school's class leader. She is beautiful and talented and many of the other girls envy her. Luka is very friendly and charismatic, and people naturally like her. Despite all this, she is actually a very kind and down-to-earth person. Her voice is mid-range and gentle, without a lot of texture.

Luka goes to visit Suzu. She reveals that she's been crushing on a classmate. Luka is a good listener, so Suzu feels comfortable enough around Luka to reveal some vulnerable memories from around the time her mom died. The entire class assumes that the two most popular and best looking students like each other. So naturally Suzu assumes Luka likes Shinobu, but turns out it's actually Kameshin.

LUKA	I couldn't do it. Your text gave me the courage to try. But I just froze in front of the guy I like. Then he said, "What's wrong with you? You're creeping me out."
SUZU	He did not.
LUKA	He did. But I don't blame him. I have no confidence and I actually am kind of creepy.
SUZU	No way! Not at all! Shinobu is such a jerk!
LUKA	(surprised react) No.
SUZU	No? Then...

LUKA	[blushing] It's Chikami. Shinjiro Chikami.
SUZU	Kamishin?! Whaaat?
LUKA	Hehe... Yeah... [Suzu's dog runs up to greet them] Hi there. You're so cute. [Suzu offers her a drink] Oh, thank you. Mmm. This is good.
SUZU	Yeah?
LUKA	So... I know who you like...
SUZU	Don't say it. I'll die of embarrassment.
LUKA	Ok, ok. Since when?
SUZU	When we were six, he said, "I'll protect you." I thought it was a marriage proposal. But he meant he'll protect me from bullies. He wasn't proposing, of course.
LUKA	(laugh) That's so sweet.
SUZU	After my mom died, I was always crying and scared my classmates away. I was crying at school every day. He must have thought I was being bullied...
LUKA	That must have been really hard for you. This might sound weird but I always thought he kind of acted like your mom.
SUZU	My mom?
LUKA	He worries about you for nothing and asks how you're doing all the time. So protective... Shinobu isn't like other guys. Oops, I said his name. (laugh)
