

Snake Queen (Ageless, appears 35-55, female)

A ruthless, cold snake demon that has been driven underground by the General who is thirsty for their power. When Blanca's assumed betrayal is discovered, she places a curse on her sister Verta that will kill Verta if she doesn't successfully bring her back. The Snake Queen is uninterested with human struggles; she has suffered long enough at their hands. Her lust for power leads to her ultimate downfall.

Scene 1

The Master learns of Blanca's fraternizing and sends her sister to bring her back.

Snake Scout: She's with a snake-catcher, and they seem to be in love!

SNAKE QUEEN: Is that so?

SNAKE QUEEN: The mantra I taught you is the key to mutual strength. All is shared, all waters flow to the same source. United in good times and bad.

Verta: Master, she would never betray us. I'll bring her back here!

SNAKE QUEEN: Fine. You have three days. Get her and the hairpin. Or the death scale I've placed in you will activate. Even I won't be able to save you.

Scene 2

The Master discovers that the bloodthirsty General is nearby, and goes to take her revenge.

SNAKE QUEEN: The General's Armada is at the village? Maybe he knows where we're hiding and is coming for us... There's a traitor among us snakes. We won't wait for their assault. We'll fight and take our chances. We'll all attack the Snake-Catcher Village! Kill the traitor and General! Smash the village to pieces!
