Mamiya (60's-70's, Female)

Moka's Grandmother. Moka is Suga's daughter. So she is Suga's mother in law. Her daughter (Moka's mother) died in an accident, and she now looks after the child while keeping the father Suga at a safe distance. Her primary concern is her granddaughter's wellbeing, and she's not pleased by her son-in-law's lifestyle. She is strong-willed and logical. While Mamiya can be stern, she isn't without a heart.

SCENE 1

Mamiya and Suga are having coffee as he tries to convince her to let him see his daughter. Things aren't heated, but it's clear he's desperate. Mamiya calmly rebuffs him.

Mamiya	I understand how you feel, Keisuke. But, we've finally gotten to the point where she isn't asking about you constantly. It would be too cruel to her to allow you to meet with her now.
Suga	Come on...I have every right to see her.
Mamiya	Well, let me ask you, you still smoke, right?
Suga	Huh?
Mamiya	She has asthma. You know that. How's that good for <i>her</i>? You're too inconsiderate.
Suga	Actually... Not anymore. I quite a few years back.
Mamiya	Yes, but still...It still doesn't discount, your lifestyle. Besides, with all this rain now...She can't play outside, it would be bad for her asthma. I feel sorry for children nowadays. We used to have beautiful springs and summers. Now all there is, is rain.
