

## Rinto – Trainer is the World Coronation Series- Recurring

**Description–** Rinto – 12ish - Mysterious boy who watches Ash’s battle from a distance and then offers his opinions uninvited. He comes across as a bit superior. He believes that Ash’s Pokemon has a lot of potential but is undisciplined and out of sync with Ash. His own Pokemon easily defeats him, and he continues on his way.

### Scene 1

*Rinto hops down from his perch and offers his condescending opinion of Ash’s pokemon’s performance. He genuinely seems like to like Ash and Farfetch’d, but feels they are in need of a lot more training to be up to his level. -*

407	rinto	01:17:28:17	01:17:33:12	<BACK> Your Farfetch’d is way too uncontrolled. Like it isn’t even aware of what’s going on around it.
408	rinto	01:17:34:04	01:17:37:11	<OFF> But it had plenty of power, so even without discipline, it won.
409	goh	01:17:38:07	01:17:39:22	Are you offering up advice?
410	rinto	01:17:40:13	01:17:44:19	Many times I wonder myself why I keep on giving my opinions like this.
411	rinto	01:17:45:07	01:17:47:04	But I just can’t leave well enough alone.
412	rinto	01:17:47:22	01:17:52:22	Nice to meet you, Farfetch’d. The name is Rinto. I’m the Trainer of this Gallade.
