### **Nagi (10, Male), seeking minors**

Nagi is Hina's younger brother. Since their parents died, he and his 16-year old sister Hina have been living on their own in an apartment. As a result he is quite mature. He is very popular at school and exudes a cool exterior which makes him very popular with all the little girls. He assists Hina and Hodaka with their Sunshine Girl business.

<b>Nagi</b>	<b>You're in love with Hina, aren't you?</b>
Hodaka	What? Er, it's not like that. Or maybe it is? <i>(he continues muttering something)</i>
<b>Nagi</b>	<b>Being ambivalent is the worst thing for a man.</b>
Hodaka	Really?
<b>Nagi</b>	<b>Be clear before you start dating, be ambiguous after you're going out. It's the basics.</b>
Hodaka	Can I call you Nagi Sempai?
<b>Nagi</b>	<i>(laughs, beat)</i> Hina's been working all the time since Mom died. She's doing it for me, since I'm still a kid. <i>(jumping down for the bleachers)</i> <b>And that's why I want her to do more teenage stuff. I don't know if you're the right guy, though.</b>
