Scene 1

Immediately after a Human kills a God for the first time in battle. Hercules arrives at the coliseum, where he runs into Loki preparing to fight next.

LOKI	Oh! I see... Northern Europe and Greece. You're from different regions, but you're both half-god and half-human. You're failures. Isn't this battle going to be a challenge for you?
HERCULES	(chuckles) Yes, the human race is tough. Even so, as the representative of the Gods, and as a warrior... I'm going to fight with honor.
LOKI	Huh? Well, if that's what you say.
HERCULES	Loki. There's one thing I want to tell you before I go in there. You should know, I'm opposed to ending the human race.
HERCULES	But, now that Ragnarok has begun... I can't lose. I'm going to win, no matter what!
HERCULES	And then... I'll ask for the salvation of Mankind.
LOKI	Heh. You're still the same as ever. Which side are you <i>really</i> on then?
HERCULES	I'm always, <i>always</i> , on the side of justice!
HERCULES	<i>He confidently walks into the arena and lets out a battle scream to hype the colosseum crowd. REACT</i>

Scene 2

Jack the Ripper, an infamous murderer from human history, was just introduced as Hercules's opponent for his battle at Ragnarok. As an honorable demigod, he's offended at the choice.

HEIMDALL	It's good vs. evil!! I can't even imagine how this battle's going to turn out!
HERCULES	Why is this happening...? The other combatants were all great men who were worthy of representing the human race. Even the Gods were impressed with these men in battle. But this man...
HERCULES	Why am I up against him?! He's a fiend who took the lives of helpless young girls... A piece of trash among trash. A serial killer!!
HERCULES	If you step down and admit defeat right now, then I will implore Lord Zeus to not completely destroy your soul. Because, unlike you, I despise senseless murder!!

Scene 3

This is a flashback scene to a **younger** Hercules, about **late teens/early 20's**. He passionately pleads his case for Humankind, and is ready to sacrifice his life in the name of justice.

ARES	(Said as a calm, grand gesture) You've piqued my interest. Bow down before me. Do so, and I will spare your life.
HERCULES	<p>Humans are fickle things. Even though they strive to be good... at times they turn towards the darkness. Even so, humans continue to grow. The spirit of justice lies within all of them, deep within that inherent weakness.</p> <p>And yet, despite their prayers for mercy, you Gods would still decide to crush them, and <i>you claim to be just?</i></p> <p>In that case... In that case... I will... <i>wager my life to oppose the Gods!!</i></p>
