ZEROFUKU

Voice Description: Androgynous, mid-range; 20s-early 30s

****This is a vocally taxing role, with substantial PAIN/ FIGHTING EFFORTS ****

Season 1: [Dub trailer available here](#)

Season 2: [Sub trailer available here](#)

Character Description: Zerofuku is the God of Misfortune, a physical amalgamation of the Seven Gods of Luck, and Buddha's opponent in the Ragnarok arena. In the past, ZEROFUKU was extremely jealous of Buddha's greater success at pleasing humans, and these feelings drove them to crave humanity's destruction. Underneath it all, Zerofuku still harbors a soft spot for the mortals.

Zerofuku is **bloodthirsty, sadistic, and intense**, prone to violently contorting their shape in battle. Their power is great, making them an unsettling, imposing foe. Zerofuku utilizes their "Catastrophe" ability in battling Buddha; wielding a massive axe that grows bigger with every setback Zerofuku encounters in combat.

Scene 1

In the Ragnarok arena; ZEROFUKU is revealed to be BUDDHA's opponent. Discomfort sweeps over the spectators.

ZEROFUKU is a creepy, disturbing spectacle, and clearly hates humans. They especially despise BUDDHA. ZEROFUKU prepares to battle - stretching out their muscular arms with painted nails.

ZEROFUKU	<i>[Tense groaning; antagonizing]</i> You make me want to puke. Time to slaughter someone.
	<i>[Seething with anger]</i> Stop ignoring me. You always ignored me. You'll never change. You human! <i>[Painful contorting effort]</i>
	<i>[Panting]</i> I'm going to turn you into "minced meat". <i>[Grunts]</i> Or shall I say, "Smithereens"?... "Execution"?... "Slaughter"?...
	Yeah. <i>[Laughter]</i> I knew it. Slaughter's the perfect word...Right?? <i>[Crazed breathing]</i>

Scene 2

Mid-battle, ZEROFUKU is struggling - and failing- to gain the upper hand. Their massive axe isn't working, much to their chagrin. A tantrum steadily brews as their inner frustrated child gets the better of them.

ZEROFUKU	I...I can't breathe. <i>[Coughing]</i> <i>[Frustrated shriek]</i> And I'm bleeding! It hurts... Why am I the one who must always suffer?
GÖLL	What's that axe? It's like it's alive! It's creepy!
ZEROFUKU	<i>[Attack effort x3, increasing in power]</i> Huh? There's no damage. I thought it hit him for sure ... That's NOT FAIR! <i>[Angry grunt]</i> Damn! <i>[Frenzied attack efforts]</i>
HEIMDALL	Zerofuku is going wild! But Buddha keeps dodging, dodging, and dodging!
ZEROFUKU	<i>[Pained panting]</i> It won't hit... It won't hit! I'm so damn unlucky...Why does this always happen to me?!
