

Female, Age: late 20's-30's, No Accent
Personality: Tough, soldier, confident

Characteristics:

She's a bounty hunter who goes up against a behemoth with twelve other soldiers. Of the thirteen, she's the only one who makes it out alive. She warns Lightning about the monster, and after seeing Lightning slay the beast, she thanks her and tells her about Baird (the one to talk to become seed hunter). After completing the quest line, Lightning can ask her about Talbot's brother (Talbot is the little boy waiting for his brother, a bounty hunter, to come back from battle).

(NOTE: No over-the-top reads. Please keep it 'serious theatrical style')

Sample lines:

Thirteen brave bounty hunters volunteered to take the beast down.

How did you defeat that thing alone!?

Caution is my middle name. But we bounty hunters, we live on the edge.

God, such horrors I'd hoped to never have to see.

The strangest beasts lurk in the Chaos. What hope does the world have?

If you want to earn some pocket change, a seed hunter's the way to go.

Why can't everything just disappear?

He made me keep this while we were still together.

I'm just happy to wash my hands of the whole thing.

I don't know what's in the journal, and I don't care. I said goodbye to Reddick a long time ago.
