

Evangeline

Unannounced Steampunk Adventure Game

Genre – Victorian Steampunk Fantasy

Gameplay – MMORPG Open World Adventure

Setting/Story – On a floating continent high above the clouds, there is a city where magic and machines have merged. Players explore exciting locations, wield magic in combat, and uncover the secrets of this ancient civilization.

Character – Evangeline, or “Heavenly Creation”, is pure soul consciousness with pure beliefs and no physical. Body. She exists to fulfill the "Plan" and guide future challengers to advance through the "Temple of Destiny" and begin a new era as prophesied. Her memory has been sealed by “Fate's Temple”, so she exists in a semi-amnesiac state and occasionally appears confused.

Her image is presented as a pure light, without the form of a human, representing a clean soul.

Accent – Neutral American

Voice – Gentle and dreamy

Character Physical – Female, 20's-30's

Sessions – Sessions are planned for on-site recording in Los Angeles for February. Remote recording by request is acceptable however talent's audition must accurately reflect their remote recording setup.

Recording Capability – Please be sure that your audition accurately reflects your remote recording setup. Please do not do *any* post processing (EQ/Compression/Reverb/etc...). Ideally your *average* levels should hover around -18db. At the END OF THE AUDITION, please state 1) your microphone (Sennheiser 416 or Neuman TLM103 / u87 preferred) 2) your preamp, and 3) if you are set up for Source Connect Standard/Pro (not “Now”).

Filenaming – All auditions must be submitted as mp3 files with the following filename format:
