

**Name:** Niesha  
**Contract:** AFTRA IMA  
**Rate:** Scale + 10 %  
**Gender:** Female  
**Age:** 23  
**Species:** Human  
**Profession:** Singer, Dancer and Spy  
**Character Description:** As an artist, she's joyful, charming, sophisticated. As a spy she's colder, more focused, but still charming.  
**Accent:** None

Charming, cheerful and funny, she is passionate and terribly involved in her role as spy and defender of Noctis. She is capable of keeping a certain distance to the current events and can switch in an instant from the careless artist to a fine strategist able to design the most complex plans.

**NIESHA**

(Charming)

Thank you, Officer. I'll see you again, soon.

**NIESHA**

Creativity is allowing yourself to make mistakes. Art is knowing which ones to keep. What would you choose in this situation?

**NIESHA**

A good painting to me has always been like a friend. It keeps me company, comforts and inspires.

**NIESHA**

You, you're in charge. Get us out of Orphir!

AMELIA

Fat chance, bitch. You know who I am? You can take your orders and shove 'em up your ass. The rovers aren't going anywhere.

**NIESHA**

Then you're gonna go in the ground. Die or drive: your choice.

AMELIA

... Did I say "Fat chance"? I meant "Of course". Get in the car.

**NIESHA**

No! They're trying to open the roof!

**NIESHA**

You! Up there! Stop! STOP! It's Niesha! Listen to me! Stop!! We'll take care of the creatures!
