

**Role:** Kearson DeWitt

**Sex:** Male

**Union:** AFTRA

**Rate:** Scale + 10%

**Character Description:** Evil scientist, former Stark employee, main villain of our game. Merges with machines to become Ultimo. By the time this happens he has become unhinged. So at that point (last line in the sides) you need to be able to perform a bigger, less emotional version of your DeWitt portrayal.

**Key characteristics:**

- ❖ Intelligent
- ❖ Cruel
- ❖ Menacing
- ❖ Precise diction

MENACING PROTEAN  
CRUEL

KEARSON DEWITT

For a man that's made it his life's work to bark orders at morons too stupid to find employment elsewhere, General Shatalov, you are absolute crap at actually following orders as given.

KEARSON DEWITT

Today we achieve not only the autonomous mass production of the most advanced weapons the world has ever seen.

(beat)

We become a new species.

KEARSON DEWITT

What began as PROTEAN and has become ULTIMO is the merger of the world's first self-repairing, self-replicating weapon system with a fully self-aware machine/man intelligence.

KEARSON DEWITT

(He is merging with Ultimo and becoming half machine)

I AM AWAKE. I CAN HEAR... EVERYTHING. MY NERVOUS SYSTEM EXTENDS ACROSS THE ENTIRETY OF OUR GLOBAL SUBNETS. MY MIND IS SPANNING CONTINENTS AND GROWING ACROSS THE WHOLE OF OUR DATA NETWORK.
